

LOUISIANA Liquefied Petroleum Gas Commission
Commercial Mower & Automobile Incentive
Reservation Form

To better assist you, we are allowing commercial mower or automobile fleets who intend on participating in the LPGC Mower & Automobile Incentive Program to secure their incentives. If you plan to apply for a mower or automobile incentive and are worried that funds may not be still available then just complete this Mower & Automobile incentive reservation form to reserve your incentive today. You may reserve 1 (one) rebate/incentive. The commercial mower or conversion kit you intend to purchase must be EPA certified. Additionally, you must meet all other qualifying guidelines. Once completed and approved by LPGC, the incentive reservation is valid for up to 12 weeks. All reservation applicants that are accepted will receive an approval notice. Please note this form does not serve as an official incentive application. You must complete an official application to receive incentive.
